

# Eurocel

Traditional Herbal Liver Support

(Hypoallergenic)

Item # 74030

Available in bottles of 180 capsules

## Description

Eurocel combines traditional Korean and Chinese herbal extracts to create a dietary supplement that supports liver health.\* Eurocel reflects many years of research and study of these herbs and their potential health benefits for liver support.\*

Eurocel has been found to be non-toxic even at levels well beyond the typical dosage for humans. No side effects or drug or nutrient interactions were found with Eurocel. However, it is strongly suggested individuals taking Eurocel not consume alcohol.

*Patrinia villosa* has traditionally been used for vitalizing the blood congealed by heat as well as clearing toxic heat.\* *Patrinia* has been shown to support the

body in its regeneration of liver cells.\*

*Artemisia capillaris* has been used traditionally for clearing damp heat from the liver and gallbladder channels.\* *Artemisia* has been shown to be supportive to the body in the regeneration of liver cells, and supportive of liver function.\* *Artemisia* may also promote the flow of bile.\*

*Schizandra fructus* has been used traditionally to support the liver, kidneys, heart and lungs.\* *Schizandra* has been shown to support blood pressure within normal levels, healthy circulation, and to have a calming effect.\*

Product of Korea.

**Each 2 capsules contain:** Proprietary blend 1000 mg  
*Patrinia villosa* (entire plant) extract  
*Artemisia capillaris* (leaves) extract  
*Schizandra chinensis* (fruit) extract

**Suggested Use:** As a dietary supplement, 2 capsules three times daily between meals, or as directed by a healthcare practitioner.

**WARNING:** If GI symptoms (related to “die-off”) i.e. gastrointestinal discomfort, nausea, or vomiting occur, reduce or discontinue usage. Do not use alcoholic beverages while taking Eurocel.
